SCOTTISH RITE

Scottish Rite-For Children

Scottish Rite for Children is a world-renowned leader in the treatment of orthopedic conditions such as scoliosis, clubfoot, hand differences, hip disorders, sports injuries and fractures, as well as certain related arthritic and neurological disorders and learning disorders, such as dyslexia.

At Last! – the Urban Boarding Experience

A program that improves students' performance during the 7 hours they **are** in school by focusing on the 17 hours **they are not**. It gives kids from less prosperous families the educational resources and tools enjoyed by kids from more affluent families during the home life portion of a school day. Students who gain admission into AT LAST! are called "Scholars-In-Residence".

Learn more at: <https://atlastboarding.com/>

Divine Equine Therapeutic Riding Center

Divine Equine Therapeutic Riding Center provides trauma focused therapeutic services that help change the lives of Veterans and First Responders with PTSD in North Texas. Instead of asking participants to talk about and relive their trauma, which most are reluctant to do, it fosters confidence, trust building, emotional grounding, self-reflection, and peace by teaching horse skills. They receive our services at no cost as our humble thanks for their service to our country.

The Outdoors Tomorrow Foundation

The Outdoors Tomorrow Foundation (OTF) is the nation's leading provider of in-school outdoor education. Our PE-replacement curriculum called "Outdoor Adventures" gives students an opportunity to learn valuable lifelong skills like fishing, archery, camping, CPR, hunter education, outdoor cooking, and many others in lieu of traditional PE. Since the outdoors has no bias, anyone can enjoy these activities regardless of socioeconomic status, gender, race, or level of physical ability. Our program has been proven to boost kids' confidence, increase their sense of belonging, improve behavior and attendance at school, and even improve relationships with family and friends when they find an outdoor activity they can enjoy with parents, siblings, and others.

"Outdoor Adventures" is now taught in over 1,000 schools in 49 states with over 100,000 kids enrolled in the class currently. 75% of those students are here in Texas where the Outdoors Tomorrow Foundation was founded and is still headquartered.
